

## Discipline Interview

One of the things that we need to learn more about is how parents raise their children. Parents do all kinds of things to deal with bad behavior and to teach their children how to do new things. All kids misbehave sometimes. I'd like for us to talk about the kinds of things parents do when their kids misbehave. For some of these questions, I'll ask you what your parents do when you misbehave. For other questions, I'll ask you what other parents do when their children misbehave.

1a)	How frequently does your mother teach you about good & bad behavior? Like it's not nice to hit, or it's polite to say thank you.	Never	Less than once a month	About once a month	About once a week
