

Views about Parenting

Now I'd like to read you some statements that refer to parents' interactions with children and adolescents. Please listen to each statement carefully and describe your feelings about each, telling me how much you agree or disagree with each description.

1	2	3	4	5
Strongly Agree	Agree	Unsure or Depends	Disagree	Strongly disagree

I believe that:

1. Parents should spank their children when the children need it	1	2	3	4	5
2. Parents should reward their children for good school grades	1	2	3	4	5
3. Spanking is a sign that parents love their children	1	2	3	4	5
4. Parents should praise their children when they follow routine house rules	1	2	3	4	5
5. Sometimes spanking is the only way to get a child's attention	1	2	3	4	5
6. Parents should use money or prizes as a way to get their children to do something	1	2	3	4	5
7. Children learn best when parents spank them	1	2	3	4	5
8. Parents should tell their children when they are pleased with what they do	1	2	3	4	5
9. Spanking does not harm children	1	2	3	4	5
10. Give children special privileges when they do something well	1	2	3	4	5
